

# Mr FIX

## Outsource your Microsoldering Repairs to Mr Fix - B2B Microsoldering!

*Don't pass up profit on the jobs that are out of your skill or comfort level! Your customers will find another shop that does and take away from your business!*

**Keep your customers** by being their one-stop-shop, even if you have to outsource. You handle the customer service & general repairs. Let us handle the micro soldering for you.

Most shops mark up our prices by around **40-50% per device!** All you have to do is ship your devices to us!

### Why Choose Mr Fix?

- *Fast Turnarounds (many common repairs are done the **next day!**)*
- Lifetime Warranty
- **FREE Return Shipping!** (1-5 days USPS)
- We work 6 days a week!
- Constant Updates On Repair Status in Personal Customer Portal
- Follow Us & See Our Work: <https://www.facebook.com/mrfixdowntown>
- Accept All Internet Payment Methods:
  - Paypal Invoice, Venmo, Apple Pay, Facebook pay, Zelle, Wire transfers.
- Packages Are Shipped To Our Secure Private Facility
- No Fix, No Fee! Just Pay Return Shipping. (Unless Otherwise Noted)
- In-Person Drop Off Available (Richmond, VA, Philadelphia, PA, Brooklyn, NY)

### Terms and Conditions:

1. Repair process takes 1-3 business days + return shipping time, depending on problem and part availability. For uncommon and difficult repairs (water damage repair, data recovery, old models etc.) repair process may take longer.
2. Disassembly/Reassembly Fee of \$50 for iPads/Game Console sent in fully assembled for any repair other than a new screen.
3. In the event that you decide to not repair your device, then a general diagnostic fee (\$30) will be applied and the device will be returned to you.
