

Mr FIX

Outsource your Microsoldering Repairs to Mr Fix - B2B Microsoldering!

Don't pass up profit on the jobs that are out of your skill or comfort level! Your customers will find another shop that does and take away from your business!

Keep your customers by being their one-stop-shop, even if you have to outsource. You handle the customer service & general repairs. Let us handle the micro soldering for you.

Most shops mark up our prices by around **40-50% per device!** All you have to do is ship your devices to us!

Why Choose Mr Fix?

- *Fast Turnarounds (many common repairs are done the **next day!**)*.
- 90 days warranty for all technical problems.
- **FREE Return Shipping!** (1-5 days USPS/UPS).
- We work 6 days a week!
- Constant Updates On Repair Status in Personal Customer Portal.
- Accept All Internet Payment Methods:
 - Cash, Paypal Invoice, Venmo, Apple Pay, Facebook pay, Zelle, Wire transfers.
- Packages are shipped to our secure private facility
- No Fix, No Fee! Just pay return shipping. (Unless otherwise noted)
- In-Person Drop Off Available (Richmond, VA, Philadelphia, PA, Brooklyn, NY)

Terms and Conditions:

1. Most repairs takes 1-3 business days + return shipping time, depending on problem and part availability. For uncommon and difficult repairs (water damage repair, data recovery, old models etc.) repair process may take longer.
2. Disassembly/Reassembly Fee of \$20 for iPads/Game Consoles sent in fully assembled for any repair other than a new screen.
3. In the event that you decide to not repair your device, then a general diagnostic fee (\$30) will be applied and the device will be returned to you.
